Share your talents with the community

Join a dedicated & fun team

## Office of National Marine Sanctuaries

A network of 13 national marine sanctuaries and two marine national monuments encompassing more than 600,000 square miles of ocean and Great Lakes waters.

Seeking to protect places of extraordinary scenic beauty, biodiversity, historical connections, and economic productivity.

As stewards of these places we help ensure a healthier ocean, now and for future generations.

## The Pacific Islands Region consists of:

Papahānaumokuākea Marine National Monument and World Heritage Site

Hawaiian Islands Humpback Whale National Marine Sanctuary

National Marine Sanctuary of American Samoa

Citizen Scientists

Humpback Whale Naturalists

Outreach Interpreters

Volunteer Training

## Citizen Scientists

Participate in the annual Sanctuary Ocean Count - a shore-based humpback whale monitoring project. Held three times annually (Jan., Feb., Mar.) at 15 designated locations around Kauai. Online registration at [oceancount.org](http://oceancount.org)

## Humpback Whale Naturalists

Help novices of all ages observe humpback whales and understand their behaviors and natural history. Promote responsible wildlife viewing. At Kilauea Point National Wildlife Refuge and other designated shoreline locations.

## Outreach Interpreters

Represent the National Marine Sanctuary System at community events throughout Kauai. Includes staffing learning stations and conducting interactive and hands-on activities.

## Education Program Assistants

Lead sanctuary education programs for students (K-12). Includes staffing learning stations, showing films, and conducting multimedia presentations. May be in school classrooms or in the field workshops.

## Administrative Support, Special Projects, and More!
