

Ocean Guardian Diver Maze

Preparation: Please print and laminate the instructions and photos in this packet. Set up the underwater environment as outlined in the Ocean Guardian Diver lesson plan.

Photo Credits: NOAA

Swim through the hula hoop tunnel! Your goal is to swim through without touching any hula hoops.

Hint: Practice your buoyancy to move up and down.

Swim through the kelp forest.
Remember, if you get tangled
stay calm! You can ask your
buddy to help untangle you.

Hint: Stay below the canopy
and above the sea floor.

Look at the pictures to see what wildlife you find! Keep your distance so you don't disturb the creatures you are watching.

Hint: Try to remember what creatures you see and stay neutrally buoyant while you search.

Swim in a circle around this shipwreck! Remember not to go inside.

Hint: Stay neutrally buoyant and try to avoid touching the wreck.
